

IMPERIAL TECHNOFORGE PVT. LTD.

**imperiall**  
FORGING THE FUTURE

Imperiall Technoforge Private Limited was founded in 2012 by Mr. Sameer Patel and VP Group in the industrial hub of Rajkot (Gujarat) India. ITPL Forging is a very young company which has grown as one of the leading manufacturer of steel forging components for both domestic & international markets. We have a manufacturing facility with approx. 100,000 sq. ft. of area. ITPL is an ISO 9001:2008, AED PED Certified, BEML and DEFENCE approved company. Our primary objective is to provide world-class quality products at competitive prices and fast delivery.

Fully equipped with high-end machines, includes Hardness Testers, Metallurgical Microscopes, Universal Tensile Testing, Izod Testing and Measuring devices.

#### **DESIGNING & TOOL ROOM:**

Computerized full-fledged tool room with VMC machine.

# products overview

## FLANGES COMPONENTS

- Weld Neck Flange
- Threaded Flange
- Lap Joint Flange
- Socket Flange
- Blind Flange
- Slip-on Flange
- Long Weld Neck Flange

## TRANSMISSION COMPONENTS

- Transmission Shaft
- Pinion
- Crown Wheel
- Sliding Gear
- Differential Bevel
- Ring Gear
- Worm Gear

## OIL & GAS COMPONENTS

- Hammer Union
- Wing Nut
- Elbow
- Tee
- Cross
- Plug Valve
- Leg
- Drill Bits
